

Poland Columbus Day

Iron Curtain and dreams that remain dreams ... but today, many dreams are coming true all over Poland. The transformation from drab to beautiful has happened and Poland is truly eye candy to behold. The absolute jewel of Poland is Krakow, which was untouched by WWII, is an architectural wonder that has an endless supply of enchantment. Shopping or strolling along the breath taking main square, Krakow is an A-list event. Our journey will also glimpse the past as we pay respect at the concentration camp Auschwitz.
